

Photo Rally 2018

A tour of the backroads of Monterey and Santa Cruz Counties
Saturday October 20, 2018

Join us for our annual rally event

A new look for this year's rally.

In the past, the photo rally has featured written, turn-by-turn route instructions with a fist-full of photos to find along the way. To be competitive, teams had to drive the route slowly to locate each photo, sometimes too slowly for safety.

This year's event will not feature turn-by-turn route instructions. Instead each team will be given several maps accompanied by route instructions that feature photos containing clues to each photo's location. Teams then determine their own route to those locations. As in the past, the photos will be missing some information that teams need to gather as they locate each photo.

No special equipment is needed. Bring pens/pencils and a clock or watch. A clip board can be handy as well. The rally will finish at the Gizdich Ranch berry farm.

START: We'll meet at the parking lot next to the Nifty 50 Café at 1760 Fremont Blvd. (at Echo) in Seaside. Come early and have breakfast or coffee before the start.

RALLY FEE: tbd

TIME: Registration opens 9:30 a.m. Drivers meeting at 10 a.m.
First Car Out at 11:01 a.m.

Please RSVP to Tim Errington and if you have additional questions please contact Tim.
